Meet Us On the Web!

ALL NEW! *Online Counseling Sessions*

The Arizona State Retirement System now provides remote online one-on-one counseling sessions via the internet for our members who live outside Maricopa and Pima counties.

Join us for your personalized counseling session with a benefit advisor from the comfort of your home or office. All you need is a computer with a high-speed internet connection, a microphone and speaker, and an optional webcam (if you'd like your advisor to be able to see you during the session).

Many answers to your general questions about ASRS benefits can be found in our online webinars - ***Know Your Benefits*** and ***Planning for Retirement***. We ask that members first participate in one of our online webinars. If, however, you have specific questions about your unique situation (such as service purchase or the retirement process), please schedule a one-on-one Web Counseling session.

We look forward to meeting you on the web!

REGISTRATION IS REQUIRED!

To schedule your appointment, visit the ASRS website at www.azasrs.gov. Click the "Meetings & More" button at the bottom of the home page and select "Sign up for Remote Online Counseling"
